

Harsh Dahat

MERN Stack Developer

harshdahat6@gmail.com | +91 8962259281 | github.com/harshdahat20-web | linkedin.com/in/harshdahatdev

Summary

BSc (PCM) student and MERN Stack Developer with hands-on experience building full-stack web applications — including real-time systems using Socket.io and role-based platforms with admin/user access control. Trained through Avish Educom's web development program; comfortable across the full stack from UI to database.

Education

BSc (Physics, Chemistry, Mathematics)
Govt. V.Y.T. PG Autonomous College

Pursuing – Final (3rd) Year
Expected 2027

Web Development Program
Avish Educom

Completed
2024 – 2025

Technical Skills

- **Languages:** JavaScript
- **Frontend:** React, Next.js, Tailwind CSS
- **Backend:** Node.js, Express.js
- **Database:** MongoDB, Mongoose
- **Tools & Platforms:** Git, GitHub, Postman, Vercel, Render

Projects

E-Commerce Platform

[Live](#) | [GitHub](#)

React, Node.js, Express, MongoDB

- Built a full-featured e-commerce platform with separate admin and user panels for product, inventory, and order management.
- Implemented browsing, cart management, and a complete checkout flow on the user side.

Real-Time Chat Application

[Live](#) | [GitHub](#)

React, Node.js, Socket.io, MongoDB

- Developed a real-time messaging application using Socket.io for instant, bidirectional communication.
- Managed live connection state to keep conversations in sync without page reloads.

Collaborative Code Editor

[Live](#) | [GitHub](#)

React, Node.js, Socket.io

- Built a real-time collaborative code editor allowing multiple users to write code together simultaneously.
- Used Socket.io to synchronize edits instantly across all connected clients.

School Management System

[Live](#) | [GitHub](#)

React, Node.js, Express, MongoDB

- Designed a role-based school management system with dedicated admin, teacher, and student panels.
- Covered academic workflows including record management and role-based access control.

Certifications

Full Stack Web Development Certification
Avish Educom

2025

Additional Information

- **Languages:** English, Hindi
- **Currently exploring:** Generative AI application development
- **Soft Skills:** Problem-solving, self-directed learning, team collaboration
